Guidebook Contributions

Help us continue offering safe & epic routes in Baja with a guidebook contribution.Â We research the routes we offer in our guidebooks for private property issues, dangerous areas (such a pot-plantations & other dangerous situations), and warn off-roaders of hazards such as blind turns, cliff areas, surprise trenches, and other dangers to help keep you safe.Â We also update our routes as often as possible to keep you informed on the changes happening in Baja.Â

Click on Guidebook Contribution Cards to print and offer friends that follow your guidebook navigation.Â We appreciate all the support we can get to continue our quest:Â Safe, accurate, and simple routes in Baja California at an affordable self-guided price.Â
