Racers and Ranchers

One of the best ideas since Baja became an off-road mecca: Racers and Ranchers.Â This team has put together a membership and organization putting off-road enthusiasts and the increasing sensitivity with private property owners of Baja in communication and good relations.Â You can contribute physical labor, donations or both with a supportive membership that will help stabilize our ability to continue enjoying the back roads of Baja California, Mexico.Â RACERSÂ and RANCHERSÂ - become a member and support riding in Baja for years to come.
