Instructions 4 Shipping GPS

To ship your personal GPS for upload, first email us for timing and availability of return, then:1. Wrap your GPS in bubble wrap & tape it.Â Make sure there is at least 1â€• of packaging paper firmly between the box and GPS, all the way around the unit2. Ship in a box at least 2â€• bigger than the length and width of the GPS3. Make sure there is enough protective packaging paper to fill the entire box: it should be packed firmly so that nothing moves when shook.4.Â INCLUDE INSIDE THE BOX:

Your GPS completely empty of information
Your data cable (cable that hooks your GPS up to your computer) *if you do not have one, email us to see if we have your model cable
A clearly computer printed note including: Full Name, UPS Address (NO PO Boxes), Phone number (work and home), and GPS serial number
TheÂ VolumesÂ you want loaded to the GPS (make sure you understand how many routes/tracklogs your GPS holds).Â OLDER UNITS: When listing the routes to have uploaded, please reference your guidebooks and give us the to and from destinations as well as the route name (i.e. Santa Veronica to Laguna Hanson *single track: VRLH-S)

5. Make sure the box seams are all double taped6. It is your responsibility to ship this package insured for the amount of the GPS value7. We suggest shipping via UPS or Federal Express so that you have a tracking number.Â If you ship using UPS or FedEx, ship it to:Â Lizard Lady Publications, Inc. 100 Grand Cty Rd. 8344/Bryant #13, Fraser, CO 804428. If you ship using the United States Post Office (USPS) you can pay extra for insurance and ship it to:

Lizard Lady Publications, Inc.
POB 585, Winter Park, CO 80482

WE CANNOT RECEIVE SHIPMENTS FROM UPS/FEDEX AT THE POST OFFICE AND WE CANNOT RECEIVE SHIPMENTS AT THE POB FROM UPS/FEDEX.Â THIS IS YOUR RESPONSIBILITY.9. By shipping us your GPS, you are agreeing to full responsibility for any lost, stolen, or damaged contents inside the package.

10. After dropping off your package: Email us a note with the date shipped, tracking number, and which method was used (i.e. UPS/FedEx or Postal Service)
