

Send GPS for Upload

Want the routes in your GPS simple and ACCURATE but don't want to purchase Fugawi and the routes CD?? Ship me your GPS and I will upload it for you. It is required to ship either UPS or Federal Express "Insured" for the value amount of your GPS and trace the package if UPS/FedEx has issues. Uploading service must be confirmed before shipping me your unit (I may be in Baja).

Cost is \$75.00 plus shipping both directions.
