About Volume 2

About Volume 2

The Baja GPS Guidebook Volume 2 has been shipping since November 2006 and the reviews have been outrageous!Â The V2 Guide is an E-book and supplement to V1. You print the book and add it to Volume 1. You will have preference on paper type, font, size, colors, and there will be a plethora of suggestions that will make this version extremely flexible for your needs.Â *You must have Volume 1 to understand, use, and organize Volume 2.

Volume 2 includes NEW routes in the NORTH from:

Rancho Santa Veronica

Rancho Tecate

Mikes Sky Rancho

San Vicente

San Quintin

THE VISCIOUS CIRCLE (CENTRAL BAJA):

Puertecitos to Catavina (over the Mnt. single track)

Catavina to El Rosario (single track on west coast)

El Rosario to Puertecitos (gnarly rocky 2-track to single track)

*or reverse these routes!

SOUTH:

Where V1 stopped at San Ignacio, routes continue south to Cabo from:

San Ignacio (awesome RTE you probably don't know- 2-track & single track)

San Juanico

Mulege

Loreto

Constituction

La Paz

La Ventana

Todos Santos

Cabo San Lucas

*the last three make a loop so you don't have to backtrack!

Between the two guidebooks, the entire Peninsula is covered from tip to tail with many options to construct hundreds of different trips. V2 also offers new stories, photos, and information.

Updated routes will be offered for Vol. 1 separately - a new V1 edition coming soon (as an e-book)
