Private GPS Lessons

Groups or individuals can now get personal GPS Training from the Lizard Lady team. These private lessons are made custom. They will include class room teaching and your choice of hands-on walking classes to off-road classes anywhere you choose. We also make this part of our Baja off road tour package, so if you would like to ride Baja and incorporate learning the GPS as a major part of your trip plan, we can customize anything you wish. Our classes range from basic instruction to lavish off-road hands-on journeys. Induldge in learning the GPS the best and most fun way possible with Lizard Lady Private GPS Lessons. Prices will be based on your custom package. To inquire, email The Lizard Lady.
