Custom Adventure Tours

We don't consider ourselves "Tour Guides". We are more like travel agents that set up a complete custom adventure vacation for your group. Then, we come along to make sure everything and more comes smooth and effortless. It is our mission to treat you to a Baja you've never known before mixing culture, adventure, other sports, spontaneity, and extreme riding in one big unforgettable package. This kind of vacation is not for everyone - although our main focus is riding the Peninsula, we are all about making this trip the most unique trip you will ever experience. Dare to be different and our adventure will change you forever.We offer 2 - 3 adventure rides per year. This is a first come first serve program for a minimum ofÂ 9 days. Any number of daysÂ overÂ 9Â are happily considered at your request. Our price is based on the number of people in the group, the number of days riding, number of days doing other sports, and a few food & hotel options whileÂ using your own bike. We cannot quote a final price until we have created the trip package, but if you are shopping for the cheapest experience, it isÂ not ours.Â The price goes up as the number of days and activities increase.Â Individual groups, clubs, or corporate programs are welcome.
