Baja Area Codes

New Baja Area Codes
In order to use the new Baja area codes that were applied after the V1 guidebook, you must first understand where they are placed:For example, in the guidebook V1, theÂ phone number for Santa Veronica's Ensenada reservationsÂ BEFORE the new area codes was: 011-52-66-81-74-28
011-gets you out of the country / 52-gets you to Baja / 66 is the old area code kept/ then add the new digits listed for the area below/ and the rest of the numbers following.
Place the new area codeÂ right afterÂ the old area code
Now the number forÂ Santa Veronica's Ensenada reservation number is:
011-52-66-46-81-74-28
