

Custom Adventure Tours

We don't consider ourselves "Tour Guides". We are more like travel agents that set up a complete custom adventure vacation for your group. Then, we come along to make sure everything and more comes smooth and effortless. It is our mission to treat you to a Baja you've never known before mixing culture, adventure, other sports, spontaneity, and extreme riding in one big unforgettable package. This kind of vacation is not for everyone - although our main focus is riding the Peninsula, we are all about making this trip the most unique trip you will ever experience. Dare to be different and our adventure will change you forever. We offer 2 - 3 adventure rides per year. This is a first come first serve program for a minimum of 9 days. Any number of days over 9 are happily considered at your request. Our price is based on the number of people in the group, the number of days riding, number of days doing other sports, and a few food & hotel options while using your own bike. We cannot quote a final price until we have created the trip package, but if you are shopping for the cheapest experience, it is not ours. The price goes up as the number of days and activities increase. Individual groups, clubs, or corporate programs are welcome. This kind of adventure instills team support, communication, builds relationships and it's highly approved for motivational development by Uncle Sam. What will that include? 1. A minimum of 2 days traveling to and from Baja (depending on where you live) 2. All hotels 3. Three meals a day 4. Water 5. As many rides as you desire from 2-track, single-track, and exploring places "we've" never been (and we have some in-mind) 6. Choices of surfing, waterfalls (riding & short hiking), snorkeling, kayaking, kite surfing, massages, deep sea fishing, whale petting, etc. (some done at night) 7. Spontaneously deciding to camp on a soft sand beach near an arch in the lapping waters of the Cortez or meeting a random group of people having a party and dancing to a mariachi band all night..... who knows 8. GPS instruction and hands on training available (fee based) 9. Full support van with mechanical know-how, jerry-rigging experts, and Negra Modelo at the end of most days (depending on where that is) 10. Support staff aiding, befriending, and caring 11. Satellite communication and an emergency flight for life membership for each rider (this is an annual membership you get to keep) What is NOT included? 1. Bring your own bike 2. Bring your own gear 3. All Booze 4. Extra drink, food, or purchase made not included in our group meal or outing plans 5. Telephone services (our sat. phone is for emergency contact only) We require specifics for your bike & body. A required checklist is provided with your tour package. Anyone showing up ill-prepared without the requirements is disqualified without refund. These requirements are general/basic. This is a vacation equipped with a lot of challenging riding, but remember that we will challenge & stimulate your full body, mind, and spirit in a most positive way.
