New Baja Area Codes

In order to use the new Baja area codes that were applied after the V1 guidebook, you must first understand where they are placed: For example, in the guidebook V1, the phone number for Santa Veronica's Ensenada reservations BEFORE the new area codes was: 011-52-66-81-74-28

011-gets you out of the country / 52-gets you to Baja / 66 is the old area code kept/ then add the new digits listed for the area below/ and the rest of the numbers following.

Place the new area code right after the old area code

Now the number for Santa Veronica's Ensenada reservation number is:

011-52-66-46-81-74-28

Northern Baja: Add New Area Code: Tecate & Santa Veronica direct 65 Mexicali 86 Ensenada 46 Rosarito 61 Tijuana & Veronica Reservations & Alfoncenas
